

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

PREFACE.

THE parish of Brantingham comprised the chapelries of Blacktoft and Ellerker. The living was appropriated by the Bishop of Durham to the Prior and Convent, who probably sent relays of clergy to minister to the three churches. Blacktoft had a separate register, but that at Brantingham included Ellerker.

The following registers commence in 1653, and are comprised in five books (up to 1812). The first consists of eight leaves of parchment, measuring $12\frac{1}{2}$ by 7 inches, and has a parchment cover. The second contains sixty-four parchment leaves, 14 by $6\frac{1}{2}$ inches, and has a parchment cover. The third is a marriage register, with paper leaves and a cardboard cover, and measures 16 by 10 inches. The fourth is also a marriage register, on paper 15 by $9\frac{3}{4}$ inches, and was "lost for many years." The fifth book measures 15 by $7\frac{1}{2}$ inches, contains sixty-seven parchment leaves (only seventeen of which have been utilised), and is bound in leather.

The writing is on the whole fairly legible, and the books are in good preservation.

There were several testamentary burials at Brantingham prior to these registers. Amongst others Anthony Smetheley of Brantingham, who died in 1577, having directed that he should be "buried near his father and mother, and that a great stone be sett in the inside of the Church wall near his grave, and thereon be engraven his name and arms."

The register of the burial of Thomas Jobson, 9 July, 1800, has an interesting note.

The thanks of the Society are due to the Vicar, the Rev. B. S. WILSON, for his great courtesy in affording access to the MSS., and for assisting in the correction of the proofs.

Yorkshire Parish Register Society.

REPORT FOR 1901.

THE Council of the Yorkshire Parish Register Society beg to present their Third Annual Report, and are pleased to say that the Society continues in a prosperous condition. The number of members for the year was 263.

During the year the Registers of Stokesley, Patrington, Blacktoft and Scarborough were issued to subscribers for the year 1900, and the Registers of Bingley (Part I) and Kippax to the subscribers for 1901. The latter have since received the Register of St. Michael-le-Belfrey (Part II).

For 1902 the Registers of Hampsthwaite, Wath-on-Dearne, and Brantingham are in the press. The Registers of Hartshead, Linton-in-Craven (Part II), Marske-in-Cleveland, and Cherry Burton will be issued for 1903.

Members are again advised to pay their subscriptions promptly, so that no delay may take place in the delivery of any of the Registers by reason of Rule 6.

It is very desirable that new members should be constantly added to the Society; and members are earnestly requested to assist the Council in this respect.

RULES.

1 That the name of the Society shall be "THE YORKSHIRE PARISH REGISTER SOCIETY," and the Society shall have for its objects the transcribing and printing of the Parish Registers in the County of York, and such Bishops' Transcripts as may be accessible.

2 That the affairs of the Society shall be governed by a Council, consisting of a President, two Secretaries, and a Treasurer, with not exceeding twelve other members.

3 That the officers and one-third of the members of the Council shall retire annually, but shall be eligible for re-election.

4 That three members of the Council shall form a quorum.

5 That the subscription of members of the Society shall be One Guinea per annum, which shall entitle them to the publications for the year; but the name of any member whose subscription shall be two years in arrear shall thereupon be removed from the Society, and shall not be re-admitted until all arrears have been paid. New members may be elected by either the Council or the Society.

6 That the subscription shall be due on the First of January in each year, and that no work shall be issued to any member whose subscription is in arrear.

7 That an Annual Meeting of the Society shall be held in the month of February in each year, of which at least seven days' notice shall be sent to all the members. At this meeting a report of the work of the Society, with a statement of the income and expenditure, shall be presented. These shall be annually published, together with a List of Members and the Rules of the Society.

8 That so long as the funds of the Society permit, three volumes at least shall be issued to the members in each year.

9 That copies of the publications of the Society shall be supplied to members only.

10 That no payment shall be made to any person for editing any work for the Society, but that the Editor of each volume shall be entitled to ten copies of the work so edited by him, and the Incumbent to two copies for the use of the parish.

11 That the Council may require any Transcript to be examined by them before publication.

12 That each volume of Registers published shall have a full index of both Christian and Surnames and of Places.

13 That the Treasurer's accounts shall be audited by a member of the Society, who shall be elected at a meeting of the members.

14 That no alteration shall be made in any of the above rules, except at the Annual Meeting. Notice of any proposed alteration must be sent to the Hon. Secretaries a month before such Annual Meeting, and by them communicated to the members.
